

SOUPS

Since our opening, we have been creating all varieties of soups. Now, we are offering these soups delivered to your offices, whether it be single portions or our soup kettle service.

SOUP KETTLES

Do you wish to cater for your staff with soup available for lunch in-house? At So..., we can deliver our fresh soups to your business as often as you require, and we will supply the soup kettles, plus 8 bowls and spoons per kettle.

48 hours notice required.

3 LITRES: £20
(8 Large Portions)

6 LITRES: £40
(16 Large Portions)

Both options include slices of freshly baked baguette

Please note: The inner drum of the soup kettle, bowls and spoons are the customer's responsibility to keep clean prior to delivery of soup. Soup kettle must be switched on prior to delivery - we don't want your soup to get cold! Additional crockery and cutlery can be provided at an extra cost. Soup kettles remain the property of So.

INDIVIDUAL SOUP POTS
